I accepted all and then provided my comments in attached redline. Note Melissa Scianni is staff lead and should be on all these messages (on CDO today). Leidy is backup and general WUS lead and should also be in the loop. -JB

I think this is a good idea. I also like Kelly's idea of making this something other than a quote.

Hi Kristin-

I think you meant this to go to Audrey Johnson, not Ivry.
Alexis has the best read on the memo timing...

And I think Alexis also had some input on the statement/Q&As that she shared with Jason.
Not sure if this version incorporates those edits.

Thx-
Kelly

Hi Kelly,
Can you let me know if Jared sent the Cargill memo to HQs? If so, could you share the email and the memo. Thx
